

# MELLO IGE

Motion Designer & Social Video Creator Chicago, IL · (281) 310-7774 · [melloqf757@gmail.com](mailto:melloqf757@gmail.com) · [mellomedia.online](http://mellomedia.online)

---

Motion designer and social video creator with a strong foundation in After Effects, Premiere Pro, and brand-led visual storytelling. Experienced producing animated assets and short-form content across TikTok, Instagram Reels, and YouTube Shorts. Skilled at moving fast without sacrificing quality — from template-building to final delivery.

## EXPERIENCE

---

### Junior Designer (Lead Motion) [Quill](#) May 2025 – Present

- Led motion design efforts, producing 100+ animated assets deployed across social and web platforms.
- Developed a reusable After Effects template system that cut production time while maintaining brand consistency.
- Supported a brand refresh that unified visual identity across 5+ key digital touchpoints.

### Project Manager / Motion Designer [Goshi](#) June 2024 (Freelance)

- Managed end-to-end production of an animated brand bumper for a Japan/US self-care company.
- Delivered a Reel that earned 70K+ plays and reached 100K+ accounts, driving direct site traffic.
- Coordinated a team of artists, managing timeline and delivery across the full production cycle.

### Graphic Designer [Synergy Magazine](#) Aug 2024 (Freelance)

- Designed editorial layouts, covers, and digital assets for print and web editions.
- Maintained visual identity while iterating on fresh layouts in collaboration with the editorial team.
- Assisted in art direction and visual content sourcing.

### Assistant Editor [Art Institute of Chicago](#) June 2024 – Present

- Edit media and music-related content for accuracy, clarity, and audience engagement.
- Coordinate with contributors to hit publication deadlines consistently.

## EDUCATION

---

### School of the Art Institute of Chicago 2022 – 2026
